Bus Transportation for INELIGIBLE BUS STUDENTS

An ineligible bus student is a student that lives less than 2.4 km from their designated school (shortest walking distance – not driving distance). School divisions do not receive funding to transport ineligible students to school. Ineligible bus students can apply for bussing and we will endeavor to provide bussing if space is available, however there is a bus fee for this service.

We will provide bus service to ineligible bus students within these guidelines:

- Ineligible students must use existing bus stops (new bus stops will not be added for ineligible bus students).
- Your child will be assigned to the bus closest to your home that has a seat available for your child. This may not necessarily be the bus stop closest to your house. If the buses in your area are full we will not be able to transport your child.
- Families that wish to use this service will be required to pay the following fees prior to the student starting to ride the bus:

Bus fees:

Payable in full by cheque payable to Christ the Redeemer Catholic Schools or cash; or

Payable by monthly instalments via Pre-Authorized Debit – PAD forms available at school or on our website – www.redeemer.ab.ca
